Message from the Speaker

The Honorable Eyos Rudimch

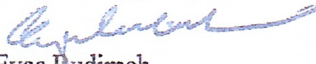

To all the people of Koror, a warm and heartfelt greetings to each and every one of you. On behalf of the members of the 10th Koror State Legislature, I wish to express our sincere appreciation for entrusting us with the privilege and responsibility of representing you.

This Legislature is committed to making Koror a better place to live and raise a family. We also strive to create a strong state economy where businesses can thrive and create jobs for the benefit of the people of Koror. Although the Legislature has the responsibility for developing laws and policies to achieve these goals, we represent your interests and we value your input. Each of our members is interested in hearing from you, and we encourage you to contact us and share your ideas and concerns with us.

We will continue to face challenges and opportunities in the years ahead, and how we collectively respond to them will determine the quality of the future that have for ourselves and our children. The members of the 10th Koror State Legislature look forward to working together with the people of Koror to build a more peaceful and prosperous future for us all.

May God continue to bless us and guide us as we move forward together.

Respectfully yours,

Eyos Rudimch
Speaker
